Re: CM/ECF System Shutdown

Please be advised that this **Sunday, March 9, 2008** the CM/ECF Replication Center will be doing a required maintenance upgrade to the Sprint network servicing the center. The maintenance on the Sprint network will start at 10:00 AM until 12:00 PM, and the CM/ECF system may experience connection problems while the engineers work on the network. It is recommended to hold any filings during that period to avoid possible problems that can affect the filing. Other activities, such as docket verification or searching any information can be conducted as usual.

In San Juan, Puerto Rico, this 7th day of March 2008.

Celestino Matta-Méndez, Esq.
Clerk of the Court
