In Re: Voluntary Petition Errors and Related Documents

On August 28, 2009, EZ-Filing released a new software version. This vendor's specific version proved not to be compatible with CM/ECF 3.3. As a result, approximately 90 petitions filed between August 28 and August 31, 2009, and their related motions were not properly filed into our system. Errors such as: no PDF's attached and incorrect docket numbers are examples of what took place.

The Clerk's Office Court Services Department is currently contacting each attorney filer and requesting that the missing documents be forwarded by e-mail to Mrs. Nydia Rivera's attention. Each document is being posted in their respective cases and the re-numbering of the affected docket entries is being performed.

Lastly, the Clerk's Office Personnel coordinated with the vendor to have this version removed to avoid further errors.

In San Juan, Puerto Rico, this 24th day of September, 2009.

Celestino Matta-Méndez, Esq.
Clerk of the Court
