## Notice to the Bar

---

The implementation of CM/ECF is just around the corner. We are going LIVE with CM/ECF on February 22, 2005 for internal users and on March 28, 2005 for external users.

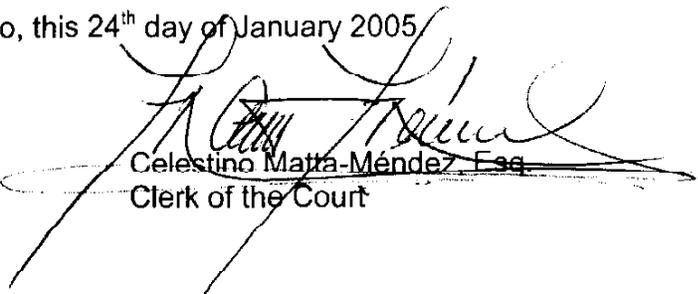

### Internet and E-mail Accounts

Internet accounts should have an Internet service provider using Point to Point Protocol (PPP). Users will also need enough space to manage electronic files and a capacity of over 2MB. The use of otherwise free e-mail account do not provide enough space. If you are not receiving e-mail notifications from the Clerk's Office, please contact Ms. Yolanda Lee Benítez, Administrative Services Associate at 787-977-6015.

### Training

Attorneys (paralegals and secretaries) are required to attend the CM/ECF training that will be offered by our Court personnel during the months of March, April and May. You may access the training schedule and register through our Court's website at [www.prb.uscourts.gov/cmreg](http://www.prb.uscourts.gov/cmreg). Attorney's staff are encouraged to attend.

In San Juan, Puerto Rico, this 24<sup>th</sup> day of January 2005.

Celestino Matta-Méndez, Esq.  
Clerk of the Court
