

## **Rule 1003-1**

### **Involuntary Petitions**

**(a) Required Designation.** An involuntary petition filed against a non-individual debtor must include a designation of the alleged debtor's principal operating officer, trustee, managing general partner, or other appropriate authorized agent, as the case may be. If the petitioning creditor(s) does not know the identity of the person(s) designated under this LBR, a statement to that effect must be included.

**(b) Partnership Lists.** An involuntary petition relating to partnership debtors must include a list with the names, addresses, and telephone numbers of all general and limited partners. If the petitioner(s) does not know this information, a statement to that effect must be included.
