Re: End of Support for Netscape Navigator Browser

Time Warner's AOL has decided to end further development and technical support for its Netscape Navigator web browser. As of March 1, 2008, AOL will no longer provide active support for any version of the Netscape browser. To access Judiciary applications and websites it is recommended that users of Netscape move to a current version of either **Internet Explorer** or **Firefox**, both of which are available for free download from the respective vendor's website.

In San Juan, Puerto Rico, this 21st day of February 2008.

Celestino Matta-Méndez, Esq.
Clerk of the Court
