Notice to Counsel - Electronic Case Filing

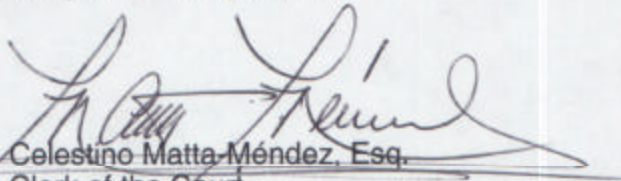

As previously announced, the new case management system (CM/ECF) will begin on February 22, 2005. Effective that date NIBS and NIBS Web Pacer will be discontinued.

Instructions on how to access the docket and claims registry in CM/ECF are hereby attached, are posted in our web site (www.prb.uscourts.gov) under the CM/ECF link, and will be available at the Clerk's Office.

Images of documents entered on or prior to February 17, 2005 will not be available until March 4, 2005. We will have available a workstation at the public examination room of the clerk's office in case you need to examine and/or get a copy of a document. Please contact Ms. Marie Cruz at 977-6115 for any other special arrangement.

The Court will activate the e-mail notification (Notice of Electronic Filing) on February 22, 2005 for testing purposes only. Although correct, all notifications made through the CM/ECF system will not constitute official notifications of the court until ECF goes live on March 28, 2005. If you want to examine the notice of electronic filing or access the CM/ECF system, please visit <https://ecf.prb.uscourts.gov>, by using your existing PACER login and password.
