

**Rule 1003-1**  
**Involuntary Petitions**

**(a) Required Designation.** An involuntary petition filed against a non-individual debtor must include a designation of the alleged debtor's principal operating officer, trustee, managing general partner, or other appropriate authorized agent, as the case may be. If a petitioning creditor does not know the identity of the person designated under this LBR, a statement to that effect must be included.

**(b) Partnership Lists.** An involuntary petition relating to a partnership debtor must include a list with the names, addresses, and telephone numbers of all general and limited partners. If the petitioner does not know this information, a statement to that effect must be included.
