Notice to the Bar and the Public

**Warning Regarding Sharing of CM/ECF or PACER Credentials
With Third-Party Service Providers**

CM/ECF filers should be aware of the potential to inadvertently share restricted documents when using third-party services or software.

Sharing your PACER account credentials with a third-party service provider or designating that provider as a secondary recipient of a Notice of Electronic Filing or Notice of Docket Activity (NEF/NDA) will give it access to sealed or restricted case information and documents in violation of court order.

Likewise, fee-exempt users should not share documents obtained from PACER under the exemption. Such exemptions apply only for limited purposes and any transfer of data obtained as a result of a fee exemption is prohibited unless expressly authorized by the court.

You are urged to use caution in your computer security practices to ensure that sealed or restricted documents to which you have access are not disclosed.
