In Re: CM/ECF System Shutdown

Please be informed that our CM/ECF system will be shutdown on Friday March 4, 2016 at 6:00pm. System will be unavailable until Monday March 7, 2016 at 8:00am when it will be back to normal operations. During this period the court will be working on the centralization process of the CM/ECF servers to an AT&T Data Center located in Ashburn, Virginia. Our court must migrate our current CM/ECF system to the centralized hosted server environments as part of a mandatory prerequisite of future versions of the CM/ECF system.

In San Juan, Puerto Rico, this 18th day of February 2016.

María de los Ángeles González, Esq.
Clerk of Court
